

Mithali College is a co-educational Islamic oriented institution, founded to give balanced, broad and functional education in Western and Islamic Education. In addition to sound academics, the aim is to produce a generation of people who are spiritually and morally sound, who can think for themselves, respect the views and feelings of others and those that will come out as frontline leaders of tomorrow in their different areas of callings.

Development Skills

The three domains of learning are brought into use for both learning and future contemporary situations. Modern and current mode of instructions with child centred strategies are employed by seasoned and trained personnel.

Quality Teachers

Experienced and highly motivated teachers, administrators and staff who have experience in various fields.

Better Education

Top notch teaching facilities are made available. All classrooms are made up of maximum 20-25 students. All necessary facilities for learning are provided.

Admission
